

Les goûts et les antipathies

You and a partner are going to present a brief dialogue in which you express your likes and dislikes of certain things. You will each ask and answer questions giving your opinions on specific topics.

Each speaker should ask their partner what they think about:

1. singer/group
2. a movie
3. a TV show
4. a teacher
5. the school cafeteria

The question and answer dialogue should look like this:

eg.

Q : Qu'est-ce que tu penses de la cuisine à l'école?

A : Je trouve ça délicieux.

Each response given should use a different vocabulary phrase from pg 57 of your vocabulary list.

Try to vary your questions as well.

Here are more ways to ask questions:

Comment tu trouves-----?

Quelle est ton opinion de-----?

Dis-moi tes idées sur-----?

Parle-moi de-----.

Qu'est-ce que tu penses de-----?
